WHOLESALE SALES OF WINES AND SPIRITS

SOUTH AUSTRALIA

SEPTEMBER QUARTER 1963

This bulletin gives details of wholesale sales of Wines and Spirits in South Australia during the quarter ended 30th September 1963.

The statistics have been compiled from returns from wholesalers and vigneron and relate to their operations in South Australia. They cover sales (both local and interstate) made from stocks held in South Australian wineries, depots, bulk stores, etc., but exclude overseas exports, purchases for ships' stores, and sales to merchants and winemakers for re-sale.

These figures should not be regarded as showing actual consumption in South Australia, because they include sales to retailers and consumers in other States and exclude purchases by South Australian retailers and consumers from other States.
